Dear Sirs,

thank you for your inquiry and reservation on ..... • ..... o`clock • ..... places.

The Domkeller belongs to the historical architectural ensemble of the castle hill and is located in the immediate vicinity of the castle Albrecht and the cathedral. Since 1470 he is farmed gastronomically, making it the oldest restaurant in Meißen. On entering the building the visitor immediately surrounds a homely atmosphere Saxon coziness and a hint of medieval nostalgia. Cosiness mediates Domklaus (30 seats) with its stained glass windows and wrought iron lamps. The Domherrenzimmer with associated terrace (60 seats) on the town side of the house offers a beautiful view of the old town lying at the feet, one floor below there is an outdoor terrace also with panoramic views. The Domkeller received many awards, among others "Especially recommended on the Saxony wine road". The best seal of approval but are satisfied guests and excellent attendance, the goal of our work. Eating and drinking, culinary enjoyment, Saxony hospitality in the heart of the city combined with the experience of a historic environment with cathedral and castle.
